Spring Art

Gussy up the laundry room or a kids' bath with appropriate words like "wash" or "splash." Start by cutting out letters from craft paper. Mark nail holes with a pencil on the wall using the letters as a guide. Hammer copper nails into the wall, and wrap nails with lengths of assorted-colored thick yarn.

Baking Display

A collection of colorful vintage Bundt pans in assorted shapes lends retro flair to a kitchen or pantry wall. Bonus: You can take 'em down and use them as needed.
